

## COVID-19 Resources Support: Medical Office/Outpatient

As part of our commitment to you, we continue to read and review relevant provisions and summaries of the Coronavirus Aid, Relief and Economic Security (CARES) Act.

Please find attached the Small Business Owner's Guide to the CARES Act from the [U.S. Senate Committee on Small Business and Entrepreneurship](#) that is reasonably detailed yet manageable in length. Although financial relief under the Paycheck Protection Program (PPP) is not immediately available (implementation is in process), the Economic Injury Disaster Loans (EIDL) and Emergency Economic Injury Grants (EIDL grants) are available ***now***. EIDL loans may be refinanced with PPP.

We believe there is likely to be a surge in applications beginning tomorrow, Monday, March 30, so we encourage you to apply as soon as possible if your schedules permit.

We will continue to update our [online portal](#) with relevant information, and as always, if you have any questions, please e-mail us at [covidsupport@ventasreit.com](mailto:covidsupport@ventasreit.com).
