

COVID-19 Resources Support: Medical Office/Outpatient

Dear Dental Care Tenants,

We hope you are well and we are glad to see you getting back to your important work in dental health. We want to share some updates from HHS about the recently announced [Medicaid distribution](#), specifically as it relates to dentists.

In an update to the Medicaid distribution [FAQs](#), HHS writes:

Question: HHS' press release mentioned that there will be a future Targeted Distributions for dentists. If a provider applies for and receives the Medicaid Targeted Distribution will they be eligible for the Dental Targeted Distribution?

Answer: All providers eligible for the Medicaid Targeted Distribution, including dentists, should apply in the Enhanced Provider Relief Fund Payment Portal by the deadline of July 20, 2020. HHS has not determined the methodology for the dental allocation at this time, but will share additional information in the future. Dental providers should not have the expectation that [they] will be advantaged by applying for funds from one distribution over another. Dentists should apply for a Provider Relief Fund payment in the first Targeted Distribution in which they are eligible.

Please note that HHS is hosting a webinar on the Medicaid/CHIP distribution on Wednesday, July 8, 2020 at 4 PM ET. Learn more and sign-up [here](#).

To be eligible to apply to the Medicaid distribution, the applicant must (**NOTE:** this is not an exhaustive list of eligibility requirements; see the [HHS provider relief website](#) for full list):

- not have received payment from the \$50 billion General Distribution; and
- have directly billed (or own a subsidiary that billed) Medicaid or CHIP from January 1, 2018, to December 31, 2019
- have filed a federal income tax return for fiscal years 2017, 2018 or 2019 or be exempt from filing; and
- have provided patient care after January 31, 2020

We will continue to update you with information as it is released via our [online portal](#). Please do not hesitate to reach out to your property or leasing manager or [email us](#) with any questions. Please note that this communication is intended to be an information resource. Should you need further assistance, please consult your advisors or legal counsel.
